

**Office of the Chief**  
**Monthly Activity Report**  
**October 2022**

Alarm activity: 402

Fire: 7

EMS/Rescue: 224

Mutual Aid Given: 1 (Scarsdale FD)

- 1) Vehicle maintenance continues through the use of outside vendors.
- 2) Tim Dalton's weekly maintenance reports for October were emailed to the Board earlier today.
- 3) Fire Prevention and Code Enforcement activities continue with numerous plan reviews and inspections. October 9<sup>th</sup> through October 15<sup>th</sup> was Fire Prevention week and Captain Thomas Pintavalle and the members visited nine schools reaching over 1,300 children to spread fire safety information.
- 4) Currently two members are out on long term absence.
- 5) We have two live fire training days coming up next week on Wednesday and Thursday where the members will be conducting training in the six-story building at the fire WC training center.
- 6) Captain Yozzo and Lt. Castiello have been conducting FF mayday training with the members and utilizing a floor collapse prop that they built in house. This training was posted on our social media sites by the Secretary.
- 7) Lt. DiRienzo and Lt. Olivier have been conducting high angle rope training off the roof of 100 Columbus Ave. in Tuckahoe. This is a ten-story apartment building that the members are simulating the rescue of a victim off the side of the building. This training was posted on our social media sites by the Secretary.
- 8) We took delivery of the John Deere gator this week. I will contact the insurance company to get it insured and then I can register it with NY State DMV. At a future meeting I will have proposals for installing emergency lights and decals to identify it as EFD.
- 9) I am working with our attorneys to finalize the proposal from Highland Associates for the repair of the Bronxville firehouse apparatus floor.
- 10) Our attorneys and engineer for the Chester Heights project next phase have finalized the AIA contract and should have sent it to the winning bidder for signing, so hopefully the bathrooms, HVAC, and ADA accessibility work will begin soon.
- 11) Vinco Builders, LLC has advised they are hoping to finish their phase of the Chester Heights project in the next few weeks.

Respectfully submitted November 10, 2022
